Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

1. The numbering of claims is not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When claims are canceled, the remaining claims must not be renumbered. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not). Applicant presented claims 7-8, 12-14, 17-20, and 35 as previously presented when in fact they were cancelled in a previous amendment.
2. The reply filed on 9/16/2009 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): It presents previously cancelled claims as previously presented. In fact, Applicant should have presented each of these claims with a new claim number preserving claim numbering. See MPEP 608.01(j), 714(H) and 37 CFR 1.126. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to DAVID C. MELLON whose telephone number is (571)270-7074. The examiner can normally be reached on Monday through Thursday 9:00am-5:30pm EST.
